## Authorized and Prohibited Uses

### 1.0 Authorized Uses:

For the purposes of the DFOG ASTM Compass subscription, an **Authorized User is any employee at a DFOG member station/utility**. Authorized Users have the following rights and are subject to the following responsibilities:

1. The right to browse, search, retrieve, display and view the Product;
2. The right to download, view or print single copies of individual Documents, or portions of such Documents for the Authorized User's personal use, and to share such printed copies with other Authorized Users of Licensee's organization;
3. The right to display, download and distribute hardcopies of Documents for training Authorized Users or groups of Authorized Users.
4. Licensee will undertake all necessary authentication and verification processes to ensure only Authorized Users can access the ASTM Product.
5. All copies of material from an ASTM Product must bear proper copyright notice in ASTM's name, as shown on the initial page of each standard, article, file or material. **Obscuring, deletion or modification of the copyright notice is not permitted.**

### 2.0 Prohibited Uses:

1. All permitted uses are described above. Any other use is prohibited, is a violation of this Agreement and **can result in immediate termination of this License**.
2. An Authorized User may not make this Product, or Documents, available to anyone other than another Authorized User, whether by Internet link, or by permitting access through his or her terminal or computer; or by other similar or dissimilar means or arrangements.
3. Specifically, no one is authorized to transmit, copy, or distribute any Document in any manner or for any purpose except as described in Authorized Uses (above), without ASTM's prior express written permission. In particular, except as described in Authorized Uses (above), no one may, without the prior express written permission of ASTM:
  - (i) Distribute or forward a copy (electronic or otherwise) of any article, file, or material obtained from any ASTM Product or Document;
  - (ii) Reproduce or photocopy any standard, article, file, or material from any ASTM Product;
  - (iii) Alter, modify, adapt, or translate any standard, article, file, or material obtained from any ASTM Product;
  - (iv) Include any standard, article, file, or material obtained from any ASTM Product or Document in other works or otherwise create any derivative work based on any materials obtained from any ASTM Product or Document;
  - (v) Impose any charge for a copy (electronic or otherwise) of any standard, article, file, or material obtained from any ASTM Product or Document, except for normal printing/copying costs where such reproduction is authorized in Authorized Uses (above); or

- (vi) **Systematically download, archive, or centrally store substantial portions of standards**, articles, files, or material obtained from any ASTM Product or Document.
  - (vii) Inclusion of print or electronic copies in coursepacks or electronic reserves, or for distance learning use, is not authorized by this License and is prohibited without ASTM's prior written permission.
4. Licensee may not utilize the Product, or access to the Product, for commercial purposes, including but not limited to the sale of Documents, materials, fee-for-service use of the Product or bulk reproduction or distribution of Documents in any form; nor may Licensee impose special charges on Authorized Users for use of the Product beyond reasonable printing or administrative costs.

### **3.0 Detection of Prohibited Use / Verification of Appropriate Use:**

1. Licensee is responsible for taking reasonable measures to prevent prohibited uses, and promptly notify ASTM of any infringements of copyright or prohibited use of which Licensee becomes aware. Licensee will cooperate with ASTM in investigating any such prohibited uses and will take reasonable steps to ensure the cessation of such activity and to prevent any reoccurrence.
2. Licensee shall use all reasonable efforts to protect the Product from any use that is not an Authorized Use, and shall notify ASTM of any use of which it learns or is notified.
3. ASTM has the right to verify compliance with this Agreement, at its expense, and at any time during the course of normal business hours. To do so, ASTM will engage an independent consultant, subject to a confidentiality agreement, to review Licensee's use of ASTM Product and/or Documents. Licensee agrees to permit access to its information and computer systems for this purpose. Verification will take place upon no less than 15 days' notice, during normal business hours and in a manner that does not interfere unreasonably with Licensee's operations. If verification reveals unlicensed or prohibited use of the ASTM Product or Documents, Licensee agrees to reimburse ASTM for the costs incurred in verification and reimburse ASTM for any unlicensed/prohibited uses.

### **4.0 Unauthorized Password Use:**

1. Licensee must immediately notify ASTM of any known or suspected unauthorized use(s) of its password(s), or any known or suspected breach of security, including the loss, theft or unauthorized disclosure of such password or any unauthorized access to or use of the ASTM Product.
2. Licensee is solely responsible for maintaining the confidentiality of its password(s) and for ensuring the authorized access and use of the ASTM Product. Personal accounts/passwords may not be shared.
